Land - (Bellary) Haspet Taluk. Grant to
Harijans and other requests.From: - Sri S. Ganapathi: Secretary Bellary Dist.
Congress Committee. Dtd. 15.2.52.

To: A.S.

Please see the letter from the
Secretary, Bellary Dist. Congress Committee on
11-2-52.

2. The Secretary has requested
(1) that Harijans who have been
cultivating the lands have not yet been
granted patta and that they should be
granted the same at once. He also
requests that a list of such persons may
be called for from the Collector.

2. That the assignment of land to
political sufferers should be completed
within 6 months.

3. ^{that the} Ban ^{on} ~~g~~ ^{of} ~~hulling~~ ^{of} ~~rice~~ ^{of} ~~Paday~~ ^{of} ~~rice~~ should
be lifted.

4. That loans ^{should be} granted only to the
deserving poor and not to rich ryots.

This department is concerned with
requests (1), (2) & (4) and I & A are
concerned with request (3).

Request (1) above: - Under the orders
in force landless-poor-Harijans who are
in occupation of lands prior to 1.5.48 are
to be assigned such lands provided that
together with lands owned by them, if any,
the total extent does not exceed 5 acres
of wet or 10 acres of dry. Before assignments
are made, enquiries have to be made to
see whether the encroachers are really
landless poor and the normal requirements
prescribed under G.O. BSO 15 have also
to be observed. As the R.D. wants to have

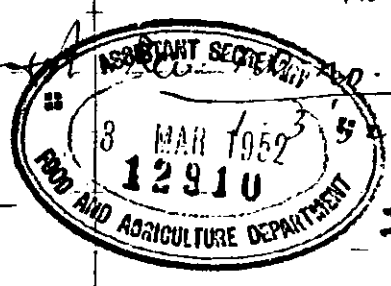

been busy with the ^{work relating to the} assignment of lands to P.S.
 and Election work, it might ^{not} have been possible for them
 to take up this item of work. ^{so far} The Collectors have
 also been instructed to take up the question
 assignment of lands to Ex-Servicemen and land
 less poor persons, as soon as the work of
 assignment of lands P.S. are completed.
 regarding the request for the compilation of a
 list of such persons for the entire Dist. it is
 submitted that the usefulness of the above
 information will not be commensurate
 with the time and labour involved in
 collecting it. No action therefore appears
 necessary on this request.

Request (2). Instructions have been
 issued to the Collectors to see that the
 work of assignment to P.S. is completed
 at an early date-- No further instructions
 seem necessary.

Request 4.
 There is no prohibition in the provision in
 the Takkavi Manual to restrict the grant
 of Takkavi loans only to poor people. Rich people
 also can be granted loans if their applications
 are bona fide and the conditions for the grant
 of such loans are fulfilled. No action is
 necessary on this request.

P.A. may see for remarks with regard
 to request (3)

Please see the N.B.s of Govt at
 No. 2 above.
